Dear Friend,

Greetings from Assumption School! We are contacting you on behalf of our auction committee. Assumption School is located in Ansonia, CT and has been providing an affordable quality education for over 100 years. In order to continue providing an affordable and quality education in Pre-K through 8th grade, we hold an annual auction, our largest fundraiser of the year. The theme of our school's 8th annual auction is "***Fabulous Assumption Spring Auction – a Night in Vegas***"

All monies raised during our auction directly benefit the school and are used to make improvements in the school, enhance computer technology, and purchase essential teaching supplies. Our school auction will take place on Saturday March 24, 2018.

We are hoping that you will consider donating a gift certificate, gift basket, travel, or other new merchandise. Any donation you choose to make is fully tax deductible (Tax Id # 06-0662102) and your name or business will be printed in our auction catalog in recognition of your generosity. Our auction draws from over 250 families in our school, the parishioners of our church, and the Lower Naugatuck Valley. Our attendance has been near 300 local attendees each year for our event.

If you should have any questions or concerns about this fundraiser please call Jessica Pinto during business hours at (203) 305-6039, in the evening at (203)732-2512, by email at assumptionspringauction@gmail.com, or visit our website at assumptionspringauction.com. Please note that we must receive donations by Friday March 9, 2018 to be printed in our auction catalog.

Thank you in advance for your support of Assumption School and our 9th annual auction!
